

Election Workers Needed!

Have you heard about the new precinct management software to be used in some polling places to assist precinct election officials?

“The Precinct Atlas” program is an electronic poll book which will help precinct election officials effectively and consistently process voters on Election Day using on-screen step by step instructions.

Want to see what the buzz is all about?

Want to play a vital role in the elections process?

Willing to accept a small payment for this Big Service?

Warren County considers applications for Precinct election Officials on an ongoing basis.
